### EXPLORE ITS AROMAS

*70cl ou 25 cl , 45%vol.*

**NOSE:** Real pure at the nose, perfectly recognizable in the first round by his juniper berry dominance. Then, Fresh mint, coriander and angelic aroma open wide and subtly. Pleasant assembly.

**MOUTH :** Round mouth, almost soft on the tongue, free from any aggression. A long time carried by joyful aroma.

**STYLE :** Perfect gin for digestive or in a cocktail who respect his subtle flavor.

**ROBE :** Crystal visual.

#### COMPOSITION

ORGANIC WHEAT BRANDY  
LOCAL PLANTS AND BERRIES

#### DISTILLATION

IN THE FAMILY STILLS

#### TO KNOW

- This gin is distilled in the family still at the Distillerie Castan, where we distilled our others alcohol too, specially our whisky.
- The base of our Organic Gin Castan is an organic wheat brandy.
- Our wheat brandy goes in one of the still tank where we infuse juniper berry and a lot of plants. When the infusion is ready, alcohol is traditionally distilled by our still.
