GEN CODE BOÎTE 500

COMPOSITION

PEATED MALTED BARLEY

DISTILLATION

IN THE FAMILY STILL

TO KNOW

- The distillation is carried out with a vase still, column, in red copper. The moûts made at the distillery, are distilled by steam. The distillation column brings a great sweetness to the alcohol.
- Also check out the New Make in the Classic version, spirit of white malt not aged, made with barley malts.
